

2022-2023 School Year

ADVANCED EDUCATOR COHORT PROGRAM

TCU Fall Virtual Seminar

Various Saturday's in the Fall Semester

TCU's 3-hour Fall Seminar is designed to equip educators to support student learning and success in AP® courses through resources and course development. They will receive updated lessons, as well as new resources, tools, and strategies to save educators time and give students success.

TCU Spring Virtual Seminar

Various Saturday's in the Spring Semester

TCU's 3-hour Spring Seminar is intended to assist educators with review plans to address student knowledge deficits and prepare students for the AP® exam. They will discover interactive learning activities for spiral reviews, free response writing strategies, and additional resources to support the AP® exam review.

TCU Advanced Educator Cohort Program

Various 1-hour Virtual Meetings & One-on-One Mentoring

TCU's Cohort Program includes registration for both the Fall and Spring Seminars, as well as personalized mentoring through 6 timely 1-hour virtual meetings and one-on-one mentoring with the presenter. Educators will receive ongoing support throughout the school year to build confidence and success.
